

## BLACK AND CRYSTAL CLEAR HIPPOPOTAMUS

**8.900,00 €**

Bring a touch of exotic elegance to your home with this extraordinary, one-of-a-kind hippopotamus sculpture, masterfully handcrafted from solid Murano glass in a striking combination of crystal clear and deep black tones. Its surface is delicately coated with iridescent black glass powders, producing a mesmerizing play of rainbow reflections that shift beautifully with the light.

A celebration of Murano's timeless artistry, this sculpture reinterprets the beloved glass animal tradition with contemporary sophistication. The contrast between clarity and opacity, light and shadow, imbues the piece with vitality and sculptural depth. Detailed and refined, this artwork captures both the strength and serenity of its subject, making it an exquisite statement piece for a console, dining table, or collector's display.
