

CLEAR GOLD PUMO

2.350,00 €

The Pumo, a traditional decorative object originating from Puglia, is more than just an elegant ornament: it is a symbol of good fortune, prosperity, fertility, and new beginnings. Traditionally given as a gift to convey best wishes, it embodies positive energy and auspicious intentions. While usually crafted in ceramic, this reinterpretation in Murano glass elevates the classic design: a crystal clear base supports a stunning top in clear gold glass, shaped in the traditional egg form and adorned with three delicate leaves.

This exquisite piece is perfect for adding a touch of refined elegance to any space, whether displayed on a mantel, shelf, or desk. It also makes a meaningful gift for weddings, housewarmings, or special occasions, combining timeless craftsmanship with symbolic significance.
