

## ORMEGGIO TAUPE VASE

**8.600,00 €**

The Ormeggio vase is a refined example of Murano glass artistry, mouth-blown and crafted with timeless elegance. Its linear oval silhouette is enriched by a spiral filigree of white, taupe, and aventurine canes, that winds through a soft grey glass layer, then submerged under crystal-clear glass.

This sophisticated technique not only enhances the luminous interplay of colors but also introduces subtle details: as the glass is layered at different temperatures, a natural reaction occurs, creating delicate air bubbles suspended within the piece.

The result is a unique, one-of-a-kind vase that blends classical elegance with contemporary refinement.

Color: taupe, clear, grey.
