

## YELLOW CRAQUELÈ VASE

**1.490,00 €**

This object is part of the Craquelè collection by Seguso Vetri D'Arte(2025). Made from mouth-blown yellow, green, and clear glass, it features a contemporary take on the traditional Sommerso technique. Its cracked surface is achieved by immersing the hot glass in ice-cold water, creating a unique texture that makes each piece one of a kind.
